*Helpful Hint: The best way to “finish” the edges of a latch hook rug is as follows:

Use an “Iron-On” rug binding tape around the edges of the rug canvas.

Before starting, fold the edges of the canvas under and “hook” through both the top canvas holes and the “folded under” canvas holes. Do the same with the sides of the rug. This can be done as you work the rug. Try to hook through at least 4 rows. This will reinforce your edges for a rug that will last.
